

UNBELIEVEABLE

*You're a real cool stranger
everybody needs
showing you're real power
with yur muscles and your beats
another thing changes
your coolness here
your hot rod and the the girlies here
your bike just shows your strongness
what you really want to be*

*Can you deal with it (3x)
It's unbelievable*

*everyone is laughing
on jokes that you made
every girl get's horny
with every move you make
put on your sunglasses
just show us what's it like
smoke your cigarettes and
wear your bluejeans just real tight*

can you deal ...

*nobody is talking
when you just spoke the words
noone believes nothing
from the stories they have heard
everyone just loves you
your muscles and your bike
but you are just the lonely guy
with no friends at your side*

can you deal ...
